Thank you for considering HMMH as your partner. We are committed to providing an excellent experience and delivering ongoing, high-quality service to our customers. To meet these goals, we want to ensure you are aware of the below Terms of Purchase. These terms help us process your order quickly, efficiently, and accurately, ensuring successful delivery and implementation of our solutions.

- Please return this cost proposal with your signed purchase order that matches product, prices and shipping charges.
- Provide the exact address for *delivery* of print materials. The shipping address may be your district warehouse or individual school sites, but it is essential that this is accurate.
- Please supply the name of each important district point of contact for all aspects of the solution including their direct contact information (email/phone):
 - o Point of Contact for Print materials
 - o Point of Contact for Digital materials
 - o Point of Contact for Scheduling Professional Development

- Please confirm that we have the correct 'Ship to' and 'Sold to' information on the cost proposal.
 - Ship to:** Tupper Lake Central School District
 - Sold to:** Tupper Lake Central School District

- Please provide funding start and end dates.
- Please note that all products and services will be billed upon the processing of your purchase order.
- Our payment terms are 30 days from the invoice date.
- Print subscription material quantities may be adjusted across grades for like products, to accommodate enrollment fluctuations, quantities cannot be adjusted between different programs or copyrights.
- Our shipping terms are FOB shipping point. The shipping term for your proposal is Shipping Point.
- Should any of these Terms of Sale conflict with any preprinted terms on your purchase order, the HMMH terms of service shall apply.

Thank you in advance for supplying us with the necessary information at time of purchase. Our goal is to ensure your success throughout the duration of this agreement, which starts with a highly successful delivery of our solution.

Your Storyboard That renewal for '21-'22!

1 message

Matt Cunningham <mcunningham@storyboardthat.com>
Tue, Apr 6, 2021 at 7:43 PM

To: aliciat@tupperlakesd.net

Hello!

I'm Matt, your account manager for anything Storyboard That.

Attached is your quote for:

- 3 Teachers
- Unlimited Students
- 1 Year Access

I've also attached a **bonus 3 Year** for the price of 2 quote.

I have these dated for 7/1 for your budgeting use, however please let me know if you'd like to renew now with any remaining budget.

Please let me know if you're interested in expanding your renewal quote to include additional students, teachers, or departments, and I can adjust.

Next Steps:

Please forward this to your purchasing department if it looks good, so when budgets open we can seamlessly apply your renewal to your account!

And when submitting a PO, please include an email address for an admin on the account, and what LMS (Classlink, Google, Clever, Canvas) you'll be using, if any.

To submit a PO:

Send a PO to Orders@storyboardthat.com

Let me know if there are any additional questions I can help with.

I look forward to hearing from you, and how you'd like to proceed.

Thanks!

INS-1 Tiny 8MP USB Document Camera with Auto-Focus and LED Supplemental Lighting, Excellent for Distance Learning and Web Conferencing

1,910 ratings
 ISWAN's Choice for "overhead projector"

\$94.00 & FREE Returns

at a lower price from other sellers that may be free Prime shipping.

Brand INSWAN
Video Capture Resolution 1080p
Connectivity Technology USB
Lens Type Macro
Item Weight 0.8 Kilograms

About this item

- Ultra high definition image: 8MP SONY CMOS sensor captures live images up to 3264 x 2448 pixels at 30 fps.
- Its small size frees up desktop space and its durable multi-joint design allows for excellent capture of 2D and 3D objects. Maximum shooting area: 15.74X11.81 inches.
- Supplemental LED light and bundled anti-glare sheet help eliminate exposure problems under difficult lighting conditions, allowing you to capture images in both dark and bright environments.
- Auto-focus lens quickly shifts focus between objects; macro captures objects as close as 10 cm.
- Built-in microphone works seamlessly with DocuMate (our bundled application) and other webinar software for PC (Windows 7/8/10), Mac (OS10.11 or higher), and Chromebook (\$8.00 or higher). It comes with USB-A cable, able to plug and play for distance education and web conferencing.

2021 NYSCATE Annual Conference

Annual Conference Information

Each year NYSCATE sponsors an annual statewide conference attended by 1,500 attendees and 150+ exhibitors showcasing exemplary education applications of technology.

Over 120 presentations by teachers and technology experts are given over the three day period. NYSCATE recruits keynote speakers who are respected experts in their fields. NYSCATE'S website provides links to educational resources and current issues as well as conference, seminar and grant information. NYSCATE disseminates, through email blasts and newsletters, up to the minute information on issues and regulations relating to technology and education from both state and federal governments.

NYSCATE

Why participate?

The Annual Conference is one of the largest technology exhibitor floors in New York State.

What does the conference offer members?

- Provides a showcase for the latest products and services designed for the educational setting.
- Puts you in touch with the educational decision makers from across New York State.
- Provides you with networking opportunities with other exhibitors.
- Workshop presentation opportunities (submit an RFP)
